SINCE THE 1800's, SALISBURY HAS BEEN SEEN AS "THE HUB OF DELMARVA." THE MAIN STREET OF SALISBURY IS LOCATED BETWEEN THE SECOND-BUSIEST MARINA IN MARYLAND AND ONE OF THE BEST SMALL ZOOS IN THE COUNTRY. Downtown Salisbury is recognized as a spirited center for commerce and culture unmatched in the region. It is a prime destination for quality shopping, professional services, unique dining, the arts and entertainment. Residents and visitors can enjoy and appreciate the pleasant and lively setting that boasts inviting shops, a variety of restaurants, ample parking, shady sidewalks, historic buildings and unique apartments – all surrounding the historic Victorian courthouse in Wicomico County.

A wide variety of dining options are available for all tastes, whether it's a fancy tea house, typical deli or a one-of-a-kind dining experience. You pick the cuisine – sushi, Thai/American, gourmet, home-style or Italian – there is no wrong choice.

Downtown Salisbury has also been noted for its antiques. Within the downtown district, antique stores offer inimitable gifts and home furnishings. Downtown Salisbury also provides ample places to relax on benches and host outdoor picnics. The urban core not only boasts shops, retail and restaurants, but also is surrounded by the oldest and most beautiful neighborhoods in the city.

It is not uncommon to hear book readings or seminars at the downtown public library or to see professionals use the riverwalk during their lunch hour. The Wicomico River has been a vital part of the revitalization, which is why the riverwalk is an enjoyable opportunity to learn more about the river. The walking path can be followed through the urban core and into the city park and zoo.

The easy access to two major roads, Routes 50 and 13, makes Salisbury a perfect destination for residents and those just passing by. The shops, restaurants, marina and zoo all make for a welcoming place and one that should not be missed. Downtown Salisbury is always welcoming new residents and, with the emergence of hundreds of condos, the skyline of the urban footprint is changing! Come and see for yourself all downtown Salisbury has to offer.
